----- Mimi -----

Mimi's Marathon was created in memory of Glenda Newcomb. Her family, especially her six incredible grandchildren, want the run to be an annual awareness and fundraiser for Hospice of Wichita Falls and the First Baptist Children's Facility. Both organizations provided much needed support and inspiration during Mimi's battle with cancer. Glenda provided encouragement to so many during her incredible life. The event is held Mothers day weekend to provide a special honor to Glenda and to continue on her spirit of motivation and inspiration.
